

WE ARE YPATIA

A worker's coop working for multidisciplinary social innovation

[Discover More](#)[View our projects](#)

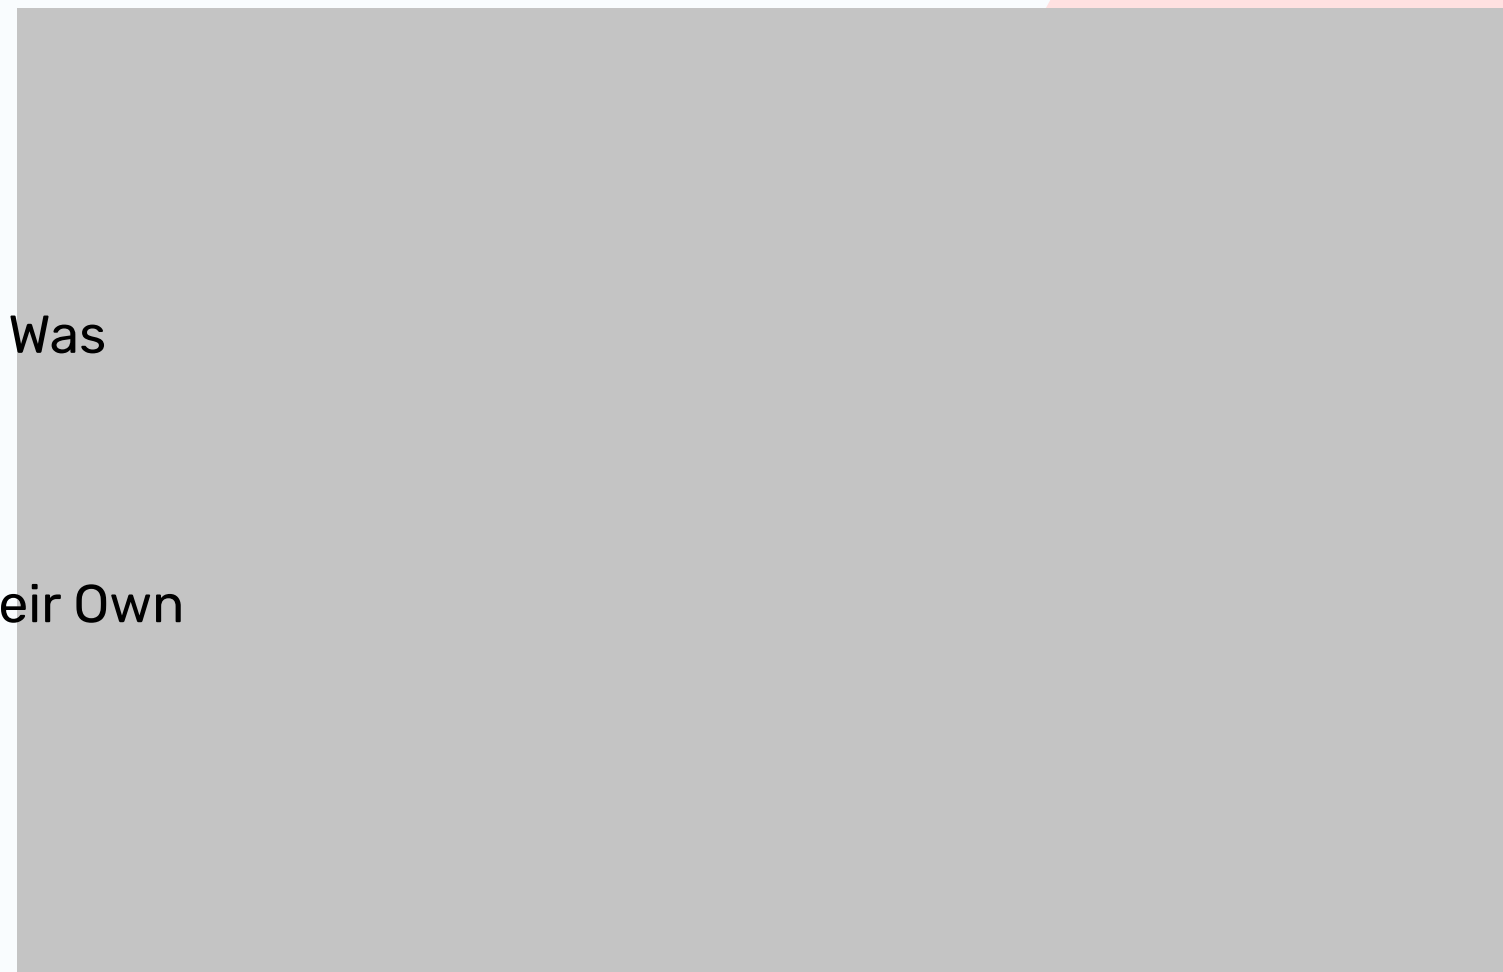

Why Ypatia?

Ypatia is our inspiration.

Ypatia Was One Of The First Female Scientist, She Was Murdered For That.

We Want To Celebrate Her.

We Want Women Helping Each Other To Realize Their Own Fulfilment.

How we work

we are a working cooperative. we believe in democratic, co-owned and inclusive workspace based on mutual respect with feminist and 'proto-stage'-socialist principles. we promote equal pay and gender balance, open source and preservation of privacy as pillars of our work

WE BELIEVE IN

equality

integrity

solidarity

transparency

trust

impartiality

flexibility

support

empathy

respect

reliability

inclusivity
